

[27/01/2016]

Meeting Minutes

Attending

Mateusz Maly, Jan Gucwa, Filip Borowiak, Karol Baran, Dawid Janelli

Announcements

Some progress made on the server. Error handling is partly implemented. Map icons added to the UI.

Discussion

Discussed the progress and the UI options for the app and the website, specifically the icons for maps and transport modes. Some little progress has been made on connecting the website to the server but it's still not enough.

Outcomes

It has been decided that the team will meet again this week to have a group coding session where we would look at the slow progress of the website and come up with solutions and speed up the progress.

Tasks

Mateusz – App display and colours

Jan – Error Handling

Karol – Website UI

Filip – Connecting the website to the server

Dawid – Connecting the website to the server
