## Meeting Minutes

### Attending

Mateusz Maly, Jan Gucwa, Filip Borowiak, Karol Baran, Dawid Janelli

### Announcements

First official meeting for the project.

### Discussion

At the first meeting we have discussed the project idea, group and individual goals, roles for each member and technologies we might want to use.

### Outcomes

Discussed the basic idea of the project and a draft of the project scope was drawn. Each group member was given a role:

Mateusz Maly (PM)  
Jan Gucwa (Chief Software Engineer)  
Filip Borowiak (Quality Assurance)  
Karol Baran (Testing)  
Dawid Janelli (Documentation)

It has been decided that we will meet every week to discuss the progress of the project. Additionally to a meeting with a supervisor we will also have another meeting by ourselves. Outside of that any communication is to be conducted through social media.

We have agreed to create a website and an android app.

### Tasks

Research of possible APIs and technologies.
