Meeting Minutes

Attending

Mateusz Maly, Jan Gucwa, Filip Borowiak, Karol Baran, Dawid Janelli

Announcements

More components of the server implemented.
Basic UI of the app created.

Discussion

Server functionality expanded, it now sends and requests from the app. Website still needs to be connected to the server. Main part of the discussion was about the connection between the server and the website.

Outcomes

The server has more functionality and the app connected. However, the Website is behind, therefore, more team members will be delegated to the website part of the project.

Tasks

Mateusz – App UI
Jan – Server functionality
Karol – Website UI
Filip – Connecting the website to the server
Dawid – Connecting the website to the server
