Meeting Minutes

Attending

Mateusz Maly, Jan Gucwa, Filip Borowiak, Karol Baran, Dawid Janelli

Announcements

Most bugs fixed. The search error still remains.

Discussion

Errors discussed, Error messaging improved on the server side.

Outcomes

We encountered an error on the app, which requires the user to click twice on the search button if he goes back from the results page, the error seems to occur on Wi-Fi connection only.

Tasks

Mateusz – testing.

Jan – bug fixing.

Karol – results page styling

Filip – adjusting displaying of the results.

Dawid – testing
